### ABOUT

As part of the Hunter Industries family of companies, Senninger customers can create an account on <https://sso.hunterindustries.com/> to access both Senninger and Hunter web services from one central location. This includes all Senninger online training courses.

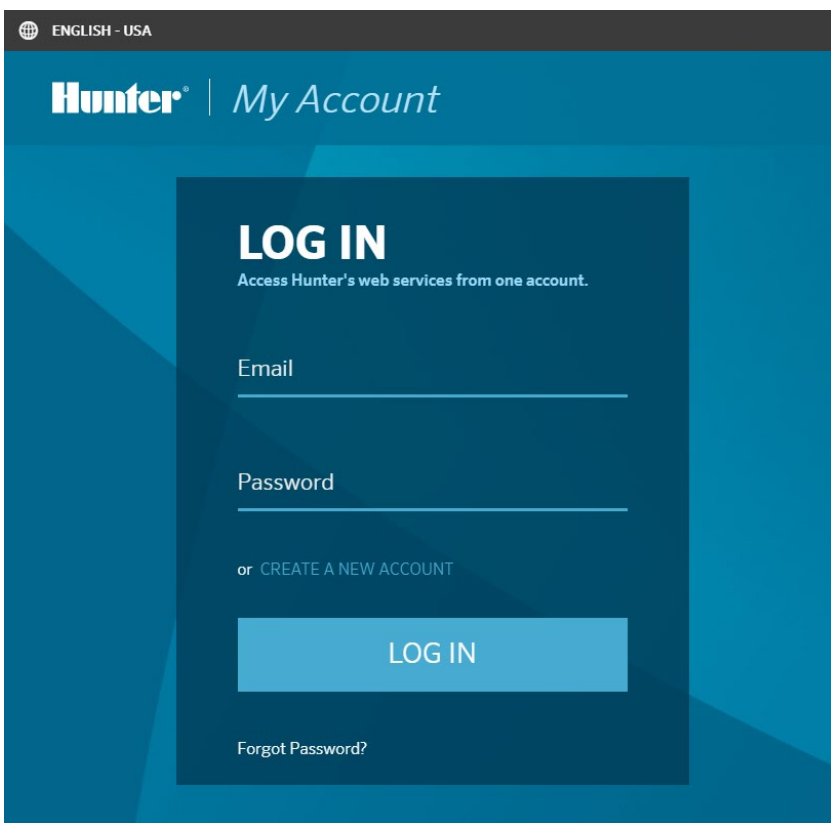

From this account, anyone can keep track of what courses they have completed, their grades in these courses and any certifications received.

### I. HOW TO CREATE AN ACCOUNT

Access <https://sso.hunterindustries.com/> to create an account. Once you are on this page, click on **CREATE A NEW ACCOUNT** above the login button.

You will then have the option to select between two account types: **PROFESSIONAL** and **HOMEOWNER**.

Select the option that best describes you. Irrigation distributors, employees and others working in the irrigation industry should select **PROFESSIONAL**.

Finally, you will be asked to enable **Online Training** as a free service. Check the box next to **Enable This Service** to easily access your online training courses during your next login. After you have checked off this box, click on the **CREATE NEW ACCOUNT** button at the bottom of the page.

You will then return to the login Screen and receive a message stating:

*“Further instructions have been sent to your e-mail address. Please verify your e-mail address by clicking the activation link.”*

You will receive an email from [info@hunterindustries.com](mailto:info@hunterindustries.com) with the subject line “Account details for [your name] at Hunter ID”.

You will be asked to verify your email address by clicking on a link within the email.

Once you have verified your email address, you will be able to login at any time and take any Senninger or Hunter course in Hunter University.
